36 apartments private complex in excellent location

is a comfortable residential complex in a beautiful location in El Chaparral, Mijas. There are only 36 apartments in the complex, so it will be the best guarantee of your privacy and tranquility. All apartments have a wonderful view of the sea. The Rayos del Sol infrastructure includes everything you need for a comfortable life: a safe area, natural and designer landscaping, adult and children's pools, a gym, a golf course, pétanque, a playground.

Everything you need in the infrastructure of the complex

2 swimming pools
for children and adult

Take a plunge into the pool, designed for both adults and children. And the most delightful part is that it's just a few steps from 'leaving the apartment' to 'feeling the coolness of the water.'

Gym with a panoramic view

Exercise with a direct
view of the sea right from the gym,
it's also a way to relax. Not for the body, of course,
but definitely for the mind. Give free rein to new ideas.

Golf course

Engage in a game of petanque to spend time as a true appreciator of the slow living lifestyle or test your accuracy during a game of golf. All of this is located on the complex's territory, making such leisure activities available at any time.

Petanque field

Playground for children

Children will always have something to do in the yard. A very safe and fun play area.
