The Piano Bar

The Piano Bar exudes style and sophistication.

It was designed to become the heart of our community. A place to have a coffee and chat with neighbors.

THE GOLF COURSE
LA PERALEJA

The resort's centerpiece, a championship golf course designed by the legendary Seve Ballesteros, is set to reopen in approximately October of this year. Renovations are already underway, ensuring the course will once again become a premier golfing destination.

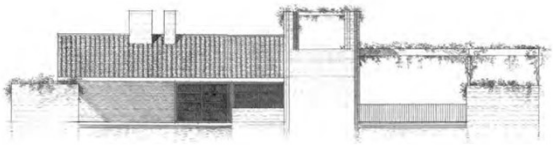

An exceptional golf course

Making use of innovative techniques for water savings. The latest generation of species with low irrigation requirements have been planted. We have constructed drainage channels, waterfalls and ornamental lakes to make good use of all the available resources, whilst creating a magnificent area for playing golf. A golf course compromised with the environment.

THE GOLF COURSE

By SEVE

Severiano Ballesteros was one of the greatest ever golfers. He designed this golf course to challenge and amuse any golf player. The design of the course is a combination of his long experience in international tournaments and his career as designer. This is probably the best of the many golf courses he designed throughout the world.
